SALONSCISSORS

Salon practice record

One session. A clear target. Something useful to adjust next time.

Date

Educator or supervising stylist

Scissor model and selected option

Cutting hand

Listed size

Exercise and intended line or finish

1 Before practice

- [ ] Check clean, dry tools and the opening and closing action.
- [ ] Agree the section, guide and intended result with your educator.
- [ ] Note the starting shape or save a reference photo.

2 During practice

Record the section or move you worked on

What changed after the pass and comb-through?

3 After practice

One change to discuss for the next session

Photo reference and tool care or service note

- [ ] Clean, dry and protect the tools using the model instructions.

Use alongside your educator's exercise. This record is not a competency assessment.
